## MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 5 to Contract No. HF-20-80  
with The Perkin-Elmer Corporation, Project [REDACTED]

25X1A

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 5.

2. Contract No. HF-20-80 provides for engineering and production of photographic and related ground support equipment on behalf of and for the benefit of the Air Force. Amendment No. 5 to the contract has been drawn to incorporate into the contract scope fabrication of one (1) 300" Collimator, authorized by letter to the Contractor dated 14 May 1957, and to provide for settlement of the Contractor's claim for the subsequent termination of work on the Collimator for the convenience of the Government.

25X1A

3. Contract No. HF-20-80 and Amendments Nos. 1 through 4 thereto obligated [REDACTED] chargeable to "No Year" Air Force funds. Amendment No. 5 obligates an additional \$3,332.00 chargeable to "No Year" Air Force funds. By concurrence to this memorandum the Project Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
